# Arabic Youth Ministry - Why is it important?

- Youth is the future of the church.
  - A lot of Arabic youth came to the US alone and if they are not served properly, they can quickly get lost with current world's temptations (Cafes, nightclubs, and worse)
  - Arabic youth come from different backgrounds in Egypt and have different needs and we ought to accommodate their differences.
  - Youth Meetings Surfing: a lot of youth nowadays jump from one meeting to another and without a strong database, a person can get lost in crowd.
- 

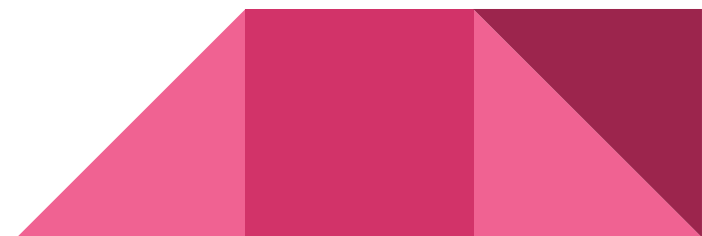

# Arabic Youth Ministry - Short Term Goals

- Develop a solid database for:
    - Youth Information (Contact, Primary Church, Needs,...etc.)
    - Resources (Talents, Equipment, Skills, etc)
    - Speakers
    - Topics
  - Develop a strong curriculum that addresses the youth' spiritual, social, financial, and educational needs.
  - Organize get together events where all youth meetings participate in such as sports days and spiritual retreats.
-
